Chennai, May 13

Shriram EPC Ltd has bagged a Rs 126-crore order from Chennai Metropolitan Water Supply and Sewerage Board.

The project involves setting up a comprehensive water supply scheme to the areas of Karambakkam, Nolambur and Injambakkam within the limits of Chennai, as well as providing a comprehensive sewerage scheme to the area of Kathivakkam, said a press release.

It is expected to be completed in 30 months.

Shriram EPC provides design, engineering, procurement, construction and project management services to power plants, renewable energy projects, process and metallurgical plants and municipal service sector projects.

T. Shivaraman, Managing Director and CEO, Shriram EPC, said, "The municipal services vertical allows us to address a large and burgeoning opportunity given the significant demand for upgradation of urban infrastructure across the country."
