Building up capability to deliver engineering, procurement and construction solutions in the mining and mineral processing areas has paid off for Shriram EPC Ltd.

The company has bagged multiple contracts totalling over Rs 367 crore, including a large order from Hutti Gold Mines, according to a press release. Shriram EPC's total order book is over Rs 4,000 crore.

The Rs 234-crore order from Hutti Gold Mines Company Limited, a Karnataka Government undertaking, is for construction of a circular shaft, 6 metres wide, to a depth of 960 metres.

This project will be taken up as part of a consortium with Shandong Gold Group Yantai Design and Research Engineering Co Ltd, of China, and is scheduled to be completed in

three years. Shriram EPC is executing an order awarded by Hindustan Copper Limited involving similar expertise at Surda Indian Copper Complex, Jharkhand, worth Rs 206.34 crore.

Two orders amounting to Rs 102.6 crore are in the municipal services vertical.

The first is a repeat order from the Gujarat Urban Development Company Ltd for Rs 75.6 crore, to supply and fix pipes and erect and commission pumping stations, a conventional water treatment plant and related facilities, including electro-mechanical works.

A Rs 27-crore contract is for establishing intake wells, water storage and distribution lines of 50 km in Kayalpattanam Municipality, Tamil Nadu.

It has also got a Rs 30.3-crore order from Kerala Feeds Ltd for a 300-tonne-a-day cattle-feed plant in Kozhikode.
